

## **Tie Break Format – Five or Six Team Draw**

### **Most Wins**

The team with the most wins will be given priority ranking.

### **Two-way Tie - Head to Head Method**

If a tie exists between two (2) teams at the completion of the schedule, the winner of the game played by the two teams involved (head to head match-up) will be given priority ranking.

### **Two-way Tie – Teams That Did Not Play Each Other - Points for and Against Method**

If a tie exists between two (2) teams that did not play each other, the Points for and Against Method will be used **with a cap at 20 points per game.**

- a) The total points scored and allowed for each game played by the two teams is calculated.
- b) The team with the highest Points for and Against value will be given priority ranking.
- c) The team with the second highest Points for and Against value will be given the secondary ranking.

### **Three-way Tie - Teams That Played Each Other - Points for and Against Method**

If a tie exists between three (3) or more teams, the Points for and Against Method will be used **with a cap at 20 points per game.**

- a) Scores against the team(s) NOT involved in the three-way tie are discarded.
- b) The total points scored and allowed for each game played by each team is calculated.
- c) The team with the highest Points for and Against value will be given priority ranking.
- d) The team with the second highest Points for and Against value will be given the secondary ranking.

If a tie exists between two (2) teams after using the Three-way Tie - Points for and Against Method, the winner of the game played by the two teams involved (head to head match-up) will be given priority ranking.

### **Three-way Tie Persists – Additional Pool Play Result**

If a tie persists between three (3) teams after the Points For and Against Method is used. The other games played by each team against the remaining teams in the pool will be added to the calculation to determine who is given priority ranking. If a tie persists between two teams after the additional score is used, the head to head method will be used to determine the priority ranking.

### **Three-way Tie – Teams That Did Not Play Each Other - Points for and Against Method**

If a tie exists between three (3) or more teams that did not play each other, the Points for and Against Method will be used **with a cap at 20 points per game.**

- a) The total points scored and allowed for each game played by the three teams is calculated.
- b) The team with the highest Points for and Against value will be given priority ranking.
- c) The team with the second highest Points for and Against value will be given the secondary ranking.

If a tie exists between two (2) teams after using the Three-way Tie - Points for and Against Method, the winner of the game played by the two teams involved (head to head match-up) will be given priority ranking.

### **Three-way Tie Persists - Number Draw**

Ranking numbers drawn by the affected coaches breaks any remaining ties.

## **Tie Break Format – Four, Eight or Ten Team Draw**

### **Most Wins**

The team with the most wins will be given priority ranking.

### **Two-way Tie - Head to Head Method**

If a tie exists between two (2) teams at the completion of the schedule, the winner of the game played by the two teams involved (head to head match-up) will be given priority ranking.

### **Three-way Tie - Points for and Against Method**

If a tie exists between three (3) or more teams, the Points for and Against Method will be used **with a cap at 20 points per game.**

- a) Scores against the team(s) NOT involved in the three-way tie are discarded.
- b) The total points scored and allowed for each game played by the teams involved in the three-way tie is calculated.
- c) The team with the highest Points for and Against value will be given priority ranking.
- d) The team with the second highest Points for and Against value will be given the secondary ranking.

### **Two-way Tie Persists - Head to Head Method**

If a tie exists between two (2) teams after using the Three-way Tie - Points for and Against Method, the winner of the game played by the two teams involved (head to head match-up) will be given priority ranking.

### **Three-way Tie Persists – Additional Pool Play Result**

If a tie persists between three (3) teams after the Points For and Against Method is used. The Game against the remaining team in the pool will be added to the calculation to determine who is given priority ranking.
