## GCBA Tykes Basketball 2011-2012

The Tykes introductory basketball program is for boys and girls born 2004 – 2006. The program focuses on the introduction to basketball skills for younger players aged 5-7. Tykes is primarily a fun session so children become familiar with the game, learn basic skills with some organized drills and practice scrimmages thrown in to ensure the activity remains fun, above all else. Tykes "teams" are co-ed, with both boys & girls on the same team. No experience needed! Tykes is primarily an English program, we cannot guarantee French speaking coaches. The Tykes program runs in two sessions throughout the year. You can register for one or both.

**Session 1: October 15<sup>th</sup>, 2011– December 10<sup>th</sup>, 2011 (\$50.00)**

**Session 2: January 7<sup>th</sup>, 2012– March 3<sup>rd</sup>, 2012 (\$50.00)**

**\$80.00 for both sessions**

We divide the children into two different programs/time slots to match up ages and skills. This helps the coaches plan effectively for the age and skill of the children:

**Little Tykes** runs on Saturdays from 1:30 p.m. – 2:30 p.m. and is for children 5 years and young 6's.

**Big Tykes** runs on Saturdays from 2:30 p.m. – 4:00 p.m. and is for older 6 year olds and 7 year olds.

Tykes play at L'Ecole Élémentaire Jeanne-Sauvé, 1917 Gardenway Road (in Fallingbrook, in Orleans). Practice is always at the same place/same time/same day. Your child will be assigned to the appropriate time slot. The GCBA convener will call or email you to confirm your child's session time about one (1) week before the program begins on October 15, 2011 or January 7, 2012

The Tykes program is an affiliated program of the GCBA but is administered separately by interested volunteers. It is also used as a fundraising arm for the GCBA as a portion of the registration fee every year goes to the GCBA organization. Players in this program are not considered to be members of the GCBA, but are encouraged to register with the GCBA when they reach 8 years of age to continue their skills development in a league based program.

***Note: The Tykes program can only be successful if enough adults volunteer to coach. Please consider that sessions may be cancelled due to lack of volunteer coaches – so please help out if you can!***
